Central Scotland Regional Conference 2 2022

In association with our Partners in Professionalism:

08:45 - 09:30  Registration

09:30 - 09:40  Chair Introduction

09:40 - 10:15  Future proofing your CIP

According to the research, the benefits of the insourcing/outsourcing approach cited by advisers include:

- Access to professional DIMs
- Improved client outcomes
- Time saving
- Business risk reduction
- Opportunities to save cost, including on PI
• Reduced governance burdens
• Support for brand-building and execution

After the presentation, advisers will have the opportunity to acquire a copy of the full Copia research report, discuss it with the Copia team, or book a meeting to benchmark their organisation against the findings and discuss the options open to them to improve their operational efficiency and profitability.

Learning Objectives:

• Understand the role centralised investment propositions (CIP) play in generating positive outcomes for advice firms and their clients.
• Review the new Copia research to assess good practice learnings from other advice firms, and to understand how long advice firms typically spend operating their CIP
• Look at how advice firms can future proof their CIP to ensure regulatory compliance, operational efficiency, and the optimum client outcomes

Robert Vaudry, Copia Capital

10:15 - 10:50  Pension Hot Topics

Learning objectives

• Understand how pension contributions can help reduce tax bills
• Describe how pension contributions can help restore lost pension allowances
• Explain the legislative changes affecting state pension provision

- Explain the key issues for reviewing older clients in drawdown
- Demonstrate the personal taxation implications for gifting

Kirsty Anderson, Lloyds Bank PLC

13:55 - 14:00  Chair's close
The content in each session has been carefully selected and can be considered for both structured and unstructured CPD hours, depending how this activity addressed each individual's personal development needs.

**Structured CPD** is the undertaking of any formal learning activity designed to meet a specific learning outcome (this is what an individual is expected to know, understand or do as a result of his or her learning).

**Unstructured CPD** is any activity an individual considers has met a learning outcome, but which may not have been specifically designed to meet their development needs.

Attendance at this event can be included as part of your CPD requirements should you consider it relevant to your professional development needs.
